These are bred to easy calving Angus bulls, but in most cases we cannot be sure which exact bull. All are registered Angus (papers available) except those with W tags, which are grade Angus. They are for sale because of calving a bit late for our program plus. Note that currently heifers and heiferettes (those born in 2019) are selling for more that $1/lb and cull cows in good flesh are selling for 70 cents/lb. We will give a **5% discount** if purchasing 5 or more. With the discount, many are priced right at slaughter price. We will have a few similar cows for sale at similar prices in mid-January.
