Weaning \$ are calculated by the Angus Assoc.: Relative extra values of calves if sold at weaning.

Calving Ease- Higher CED is better  
\*\*\*\* Exceptional ease  
\*\*\* Suitable for heifers  
\*\* Well-grown heifers only  
\* Best not used for heifers

Heifer bulls-  
Calving Ease scores predict better than BW EPDs .

Pap scores – if grazing above 8000 feet, it is best if PAP scores are below 45

6003

**LCOC DAN G131X SEMEN FOR SALE, Reg # 16816979**

*Genetics with an unusual combination of desirable traits,*

*Free from major Angus genetic defects*

Extreme Calving Ease EPDs

CED (Direct) **17, top 2%**

B Wt **-1.3, top 10%**

CEM (Maternal) **17, top 1%**

Excellent Weaning Weight EPDs

WW **55, top 25%**

\$W **\$58.16, top 20%**

Economical plus highly fertile semen

Dan was proven with hundreds of calves under our semi-desert conditions with no creep feeding; cattle raised at 6000 feet in winter, 7500-9000 feet in summer. Semen priced at \$20/straw for 10 or 20 straws; \$15/straw for 30 or more.

Goldilocks (not too high, not too low, just right) daughters

EPD milk 20 lbs – too much means excess feed requirements

Moderate size, but with excellent carcass weights

SEN \$3.85, **top 30%**; heifer preg rate + 10.8, **top 50%**

Carcass Characteristics

Weight +39, **top 30%**; quality grade: +39 **top 10%**

Marbling: +.96, **top 10%**; \$ beef: \$150, **top 10%**

Ribeye: +1.26, **top 1%**; Yield grade: + 10.1, **top 10%**

Also selling 15 premium 875 lb registered Angus open replacement heifers at \$1100 each and 5 top-end 1<sup>st</sup> calf heifer pairs with January calves at \$2400.

## About Our Program

- We do not creep-feed calves. Period! We harvest low-cost grass.
- We select for high weaning weight, low to moderate birth weight, and moderate milk (too much milk requires too much feed to breed back early).
- We performance test the bulls in standardized, high-roughage feeding trials and cull again.
- We use embryo transfer to get more calves from our better cows and add new genetics to our herd.
- Angus carcasses are tender, readily grade choice, and Angus-sired feeder calves bring a 3-5¢/lb premium. A load of herdmate steers to previous year's bulls sold on the grid; 39 of 40 qualified for premium carcasses, and earned an average \$70 premium over sales on a live weight basis!
- Bulls have been selected on pedigree, conformation, weaning weight, yearling weight, and semen quality, and pedigrees are clean for carrier status of curly calf, fawn calf, DD, and hydrocephalus.
- All calves sired by these bulls will be polled; all bulls are PAP tested.

## About EPDs (expected progeny differences)

- EPDs are no substitute for evaluation of animals for structural soundness or for the reputation of the seller.
- However, EPDs are the best scientific measure of how an animal's progeny will perform, and often, the single most useful tool for improving cattle. EPDs incorporate information on adjusted weights and are up to 9 times more accurate than ratios.

National Angus EPDs (lbs) (Non Parent bulls)		Birth weight	Calving ease	Weaning weight	Maternal milk	Yearling weight	\$ Weaned calves
Top	10%	-0.9	12	60	30	105	60
	30%	0.4	8	53	26	94	50
Average	50%	1.3	6	48	24	86	43
	70%	2.1	3	44	22	78	37
Bottom	90%	3.3	-1	36	18	65	27

Note: Even a 5 lb EPD Angus birth weight produces a smaller calf relative to the average of nearly any other beef breed.

## Terms and Conditions

We will follow the guidelines of the American Angus Association for terms and conditions of sales. All animals are guaranteed to be structurally sound and healthy at the time of the sale, and are guaranteed breeders.

- Free delivery within 100 miles
- 5 % discount with purchase of 3 or more head
- First come, first served

## Breeding Season Guarantee

If any bull should become injured or is otherwise unable to breed cattle prior to September 1, 2017, we will exchange the bull for a similar one. Should a bull die before September 1, 2017, we will give a \$500 credit for purchase of another bull from us, if purchased before April 1, 2018. There are no guarantees for events after September 1, 2017.
